

## **POLICIES AND WAIVERS**

### **1. DISCONTINUING BAND CLASSES**

To discontinue band classes, you must notify the office and fill out a withdrawal form 30 days before the students last class.

Students will be responsible for lessons regardless of whether they attended classes or not.

### **2. LESSONS AND REHEARSALS**

We expect students to make the Rock Band Classes a top priority. You are expected to always attend lessons, rehearsals, and any concerts. Repeated tardiness will not be tolerated. Other students depend on you to be able to play their parts. Please respect their time and commitment as well as your own.

### **3. IMAGE AND AUDIO/VIDEO RECORDING WAIVER**

Rock band students participate in high profile public performances that are often covered by the local media and also in our monthly newsletters. By signing this form, I give my permission for my child's image, audio or video recording to be used by Musical Beginnings LLC as a direct result of participating in the rock band classes.

### **4. MAKE UP CLASS POLICY**

Students can attend a Saturday make up for their instrument if they miss a rock band class. There are no rock band class make ups.

### **5. OBSERVING CLASSES**

Due to the fact that many students have behavior challenges when their parents are present, the classes are only for students and teachers. The open houses will give you ample opportunities to see how your child is progressing.
